CHRONIC HOMELESS STATUS:

An individual is defined by HUD as "Chronically Homeless" if they have a disability and have lived in a shelter, safe haven, or place not meant for human habitation for 12 continuous months or for 4 separate occasions in the last three years (must total 12 months). Breaks in homelessness, while the individual is residing in an institutional care facility will not count as a break in homelessness. Additionally, an individual who is currently residing in an institutional care facility for less than 90 days and meets the above criteria for chronic homelessness may also be considered chronically homeless. Lastly, a family with an adult/minor head of household who meets the above-mentioned criteria may also be considered chronically homeless, despite changes in family composition (unless the chronically homeless head of household leaves the family). This applies to all project participants admitted on January 15, 2016 and after.

Supportive Documentation Required for CH status: Attach one including the dates and locations of homelessness, from one or more of the following. Documentation must include coverage of a total of 12 months (documentation for each month). Examples of documentation to be included are listed below:

☐ Certification letter(s) from an emergency shelter for the homeless.

☐ Certification letter(s) from a homeless service provider or outreach worker.

☐ Certification letter(s) from any other health or human service provider.
