1. **Call to Order:** CoC Board Chair, Kevin Clerici, called the meeting to order at **3:34 pm**.
Board Members: Kevin Clerici, Dawn Dyer, Mara Malch, Pam Marshall, Manuel Minjares, Michael Nigh, Michael Powers, Emilio Ramirez, Carolyn Briggs. Excused absences: *Nancy Wharfield and Susan England*
Staff: Felipe Flores, Jennifer Harkey, Tara Carruth, Christy Madden
HMIS Staff: Alicia Morales, Marcy Snider
Public Attendees: Jaydon Gaines, Susan White Wood, Cathi Nye
2. **Board Comments:** Dawn Dyer, President, Dyer Sheehan Group, invited meeting attendees to the Housing Trust Fund of Ventura County's 2021 Annual Meeting on January 27, 2021 at 11:30 am. She shared that Meeting highlights include a keynote address by Mr. Michael Anderson, Director of the Housing Trust Fund Project for Community Change, as well a presentation of their Annual Report and other presentations.
3. **CoC Staff Comments:** Tara informed that HUD issued the County an approval on an Exception for the Homeless Count this year. HUD also indicated that as long as a Count was done the previous year, the granting of the Exception for this year was almost automatic. The Sheltered Count is scheduled for 1/28/21. Tara further informed that it appears FY20 NOFA grants may be automatically renewed and that no further action is needed to obtain funding. This is to be confirmed. CoC Staff is currently working on the HHAP 2 grant application and the Longitudinal Assessment Report.
4. **Public Comments:** No in-person or email comments submitted.

Continuum of Care Governance Board Business

5. Approval of the minutes of the meeting of Governance Board held Wednesday, December 9, 2020. Manuel Minjares, County of Ventura District 3 – Field Representative, moved to approve with an amendment to Section 6, as proposed by Dawn Dyer. Michael Powers, County Executive Officer, Ventura County, seconded with noted changes. The balance of the CoC Board was in favor. Manuel Minjares also noted that he is no longer a City of Fillmore council member.
6. **Ratification of CoC Board membership and selection of Board Chair and Vice-Chair**
Tara shared with the Board that Supervisor Carmen Ramirez was not sure if she can continue with her membership of CoC Board. Carolyn Briggs, Community Advocate, is willing to provide her seat to new membership if that would help further the mission of the CoC.

CoC Board – Meeting Minutes

January 13, 2021

However, she added that she is open to continuing for another term if another advocate could not be found to step into her place.

Tara reminded the CoC Board that Terms have a duration of 2 years with a maximum of five consecutive periods. All currently seated CoC Board members are eligible for consecutive terms.

Kevin suggested approving the current CoC Board roster as is. In the meantime, Tara said she would circle back with Supervisor Carmen Ramirez regarding her membership. Tara further recommended approving the current slate and make changes during the year as needed.

Manuel made the motion to approve the current standing CoC Board roster, Dawn second. The balance of the CoC Board was in favor.

After a brief discussion, Dawn self-nominated and moved to be CoC Board Chair. Manuel self-nominated and moved to be CoC Board Vice Chair. All in favor.

7. Provide input on amendments to Ventura County Continuum of Care Alliance Governance Charter including updates on the designated Interagency Council on Homelessness, Standing Advisory Committees and Voting Process for CoC Advisory Committees.

Tara informed that the 2019 Staff report looks very similar compared to this year's because of the focus on emergency pandemic during 2020. She asked if anyone had any suggested changes to CoC governance, committees, meetings, etc. She indicated that these items must be revisited annually but suggested it can be postponed for a later date. Pam Marshall, suggested moving the review and decision to February 2021, including a changing the quorum to be a simple majority. Tara indicated that for the time being, the same Charter could be used. Michael Nigh, Director, Area Housing Authority of Ventura County, suggested moving this discussion to March 2021. Pam further recommended that the noted items should be reviewed and moved on at that time.

The CoC Board decided to table this discussion until March 2021.

8. Receive an Update on COVID19 Response from the County's Homeless Taskforce.

Tara shared that she has been flooded with calls regarding Covid-19 vaccine roll out. Ventura County Public Health informed Tara that new guidance for distribution is being rolled out. Currently, shelter and service providers are at 1B, Tier 2. More information can be found by visiting: <https://www.venturacountyrecovers.org/>. Michael Powers informed that the County is currently building up capacity, including opening up megasites. He further shared that the County is actively procuring more vaccines and searching for more volunteer vaccinators. At the moment, about 500 have already signed up. Congregate settings are difficult to manage since virus is so contagious.

Pam said that her insurance, Kaiser Permanente, will be contacting their patients. She furthered that with this practice, patients/clients feel more asserted when informed when the vaccine can be

obtained and asked if the County should have something similar in place. Michael Powers shared that the implementation of a similar system among local hospitals and other community health partners is in progress.

9. Approval of a Resolution to be signed by Continuum of Care (CoC) Board Chair Accepting the County's Redirection of Homeless Housing Assistance and Prevention Program (HHAP) Round 2 Funds of \$832,659 To Be Combined With The CoC Allocation for a Total of \$1,762,942.

Tara said that she had presented this Resolution at the County Board of Supervisors meeting yesterday (1/13/21) demonstrating the same re-direction of funds. On this occasion, the same Resolution is being presented to CoC Board and asked for its adoption.

Dawn observed and noted that 8% of unaccompanied minors/youth were to be served with this grant. Michael Nigh moved to approve, Manuel was second. Michael Powers abstained due to his position with the County. The balance of the CoC Board was in favor.

Closing Remarks

Michael Powers thanked Dawn and Manuel for stepping up to CoC Board leadership. He also thanked Kevin for his leadership and collaboration during the past year. Cathi Nye also expressed gratitude to Tara Carruth and the CoC Board for the Letter of Support provided in consideration for a grant she is writing.

Dawn adjourned the meeting at **4:13 pm**.

CoC Governance Board

SUBJECT: Receive an update on COVID19 Response from the County's Homeless Taskforce and Presentation on Project Roomkey

BACKGROUND: As the County of Ventura responds to the local emergency of the novel coronavirus (COVID-19) a Homeless Taskforce has been established to respond to the needs of the homeless community and keep stakeholders informed of local actions.

DISCUSSION: County of Ventura and Ventura County Continuum of Care are leading the regional Homeless Taskforce in response to COVID-19. The following actions have been taken to address the needs of the population and keep people experiencing homelessness safe as well as preventing a surge of homeless patients in the hospital system.

- Handwashing stations remain available throughout the county near locations frequented by unsheltered homeless persons. Handwashing stations remain in place near service site and shelter locations.
- Provide masks and other supplies to emergency shelters and service providers through County Office of Emergency Services and community donations;
- Backpack Medicine team has conducted 2,800 visits since the beginning of the pandemic. The Healthcare for the Homeless program has served 1,620 persons with 35,000 instances of services through the One Stop program.
- 205 persons currently sheltered in Project Roomkey including Mercy House Non-Congregate Shelter and Project Roomkey Motel Voucher program.

Homelessness Prevention:

With the signing of the COVID-19 Tenant Relief Act (SB 91), the state's current eviction moratorium for tenants unable to pay rent due to COVID-related financial hardships, as established under AB 3088, is extended by 5 months, from January 31, 2021 until June 30, 2021.

The County and City of Oxnard have opted in to the State Administered Rental Assistance Program. This resource will be made available for households with incomes at or below 80 percent of Area Median Income, with a priority on helping households at or below 50 percent of Area Median Income as well as households unemployed for the preceding 90 days at the time of application. Program details and application process will be made available soon at www.housingiskey.com . Some highlights from the State's website on this COVID-19 Rental Relief include:

- Prioritizes the payment of rental arrearages.
- Landlords can choose to accept 80 percent of any unpaid rent owed from April 1, 2020, through March 31, 2021. If a landlord accepts this funding, the landlord agrees to forgive the remaining unpaid rent for that covered period.
- If a landlord chooses not to participate, the tenant can still apply for relief valued at 25 percent of unpaid back rent they owe for the covered period.
- Qualified tenants will also be able to access funds to cover 25 percent of prospective rent for the months of April, May, and June of 2021, subject to funding availability.
- Utility arrearages will also be eligible to be paid, subject to funding availability.
- The State will directly administer \$1.5 billion through either the State Rental Assistance program or through block grants to qualifying local jurisdictions.
- Emphasis on multilingual, local outreach, fraud prevention, and customer service.
- Program will be stood up to begin accepting applications no later than March 15, 2021.

Re-Housing Strategies: Staff continue to work with referring service providers on rehousing efforts with Project Roomkey clients. State and Federal partners continue to emphasize utilizing new funding resources to assist with this effort. The State is offering technical assistance to communities who want assistance in their re-housing efforts.

COVID-19 Vaccine: Staff are working closely with Public Health on the delivery of the COVID-19 vaccine to congregate shelters, homeless service providers and high-risk populations experiencing homelessness. Homeless service providers are considered critical to COVID-19 infrastructure and will be provided access to the vaccine in Phase B starting as early as February 2021. Detailed information about vaccine distribution may be found at www.venturacountyrecovers.org. Persons may also sign up at www.myturn.ca.gov to personally register and be notified when they may be prioritized for a vaccine. The County continues to advocate for additional supply of vaccine so they can move quickly through the tiers. The County is currently vaccinating healthcare workers and persons age 75 and older.

CoC Governance Board

SUBJECT: Receive and file a report on ending homelessness among veterans in Ventura County.

Since the COVID-19 pandemic response began in Ventura County, the number of veterans experiencing unsheltered homelessness has decreased with the addition of non-congregate shelters through the Supportive Services for Veteran Families (SSVF) program, United Way of Ventura County (UWVC) and Project Roomkey motel vouchers. The previously existing transitional housing programs have continued to operate at full capacity. Here is the breakdown:

- **35** homeless veterans were placed in the SSVF non-congregate motel for shelter. All of these veterans are working with the Veteran Affairs Supportive Housing (VASH) team for permanent housing and SSVF for Rapid Re-Housing.
- **16** homeless veteran households have been staying in Project Roomkey motels for non-congregate shelter. These veterans are not eligible for SSVF due to their VA status; however, they are working with Gold Coast Veterans Foundation, the Whole Person Care team and Ventura County Behavioral Health to find permanent housing and apply for eligible benefits.
- **37** homeless veterans have been issued Veteran Affairs Supportive Housing (VASH) vouchers and continue to search for affordable housing units (duplicated in SSVF count).
- **18** homeless veterans are staying in transitional housing at Turning Point Foundation and the Salvation Army programs while working on a housing plan.
- **3** homeless veteran households have been staying in a motel with funding supported by the United Way of Ventura County.
- **9** veterans who were previously working with homeless service providers are in unknown locations, as they have not re-established services in the past six months.

During the 2020 program year, 38 homeless veterans have been permanently housed through the efforts of SSVF, UWVC, VASH and other service providers. Of those, 27 were housed with VASH vouchers and 11 in private rentals with assistance from SSVF security deposits and/or rental assistance.

As of December 2020, there were 54 VASH vouchers still available, 7 referrals pending review and 37 veterans with approved VASH vouchers seeking housing units. According to the VASH team, the majority of those approved veteran households need one-bedroom units that meet the Fair Market Rent (FMR) limit.

In order to end homelessness among Veterans in Ventura County, we must meet the following criteria based on HUD guidance:

- 1) The community has identified all Veterans experiencing homelessness.
 - *Our community utilizes a Coordinated Entry System with a no wrong door approach. The Homeless Management Information System (HMIS) captures data on those reporting a veteran status and service providers make referrals to SSVF and/or Gold Coast Veterans Foundation for assistance.*
- 2) The community provides shelter immediately to any Veteran experiencing unsheltered homelessness who wants it.
 - *There has been an increase in the number of non-congregate shelter beds during the COVID-19 pandemic in Ventura County. The local shelters have been at full capacity; however, the expansion of SSVF and United Way of Ventura County non-congregate shelter beds have offered additional shelter capacity. Project Roomkey has also assisted with placement when SSVF has exhausted funds or capacity for placement.*
- 3) The community provides service-intensive transitional housing only in limited instances.
 - *Turning Point Foundation and the Salvation Army Grant Per Diem program continue to offer transitional housing to homeless veterans seeking a permanent housing placement.*
- 4) The community has the capacity to assist Veterans to swiftly move into permanent housing.
 - *VASH vouchers are still available through the public housing authorities; however, the number of vacant units within Fair Market Rate (FMR) are very limited. The United Way of Ventura County Landlord Engagement Program is focused on recruiting more landlords willing to accept VASH vouchers.*
- 5) The community has resources, plans, and system capacity in place should any Veteran become homeless or be at risk of homelessness in the future.
 - *More comprehensive outreach services are being offered to actively engage those experiencing homelessness and make immediate referrals to services. Homelessness Prevention funding is available through various sources, including SSVF for Veterans and State of California grant funding.*

CoC Governance Board

SUBJECT: Receive an update on California Housing & Community Development (HCD) Emergency Solutions Grant – Coronavirus (ESG-CV) funding.

DISCUSSION: The California Department of Housing and Community Development (HCD) awarded the first round of ESG-CV grant funding to the CoC, as authorized by the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act. CoC staff have issued the ESG-CV subrecipient agreements to the following awarded service providers, as approved by the CoC Board on June 10, 2020:

Subrecipients	Project Type	Beneficiaries	State ESG-CV Funding
Gold Coast Veterans Foundation	Street Outreach	35 veterans	\$10,660
Harbor House	Rapid Re-Housing; Street Outreach	25 households in RRH; 30 individuals in SO	\$100,000
Human Services Agency	Rapid Re-Housing	24 households	\$62,110
Interface Children & Family Services	Minor Youth Shelter	33 minor youth	\$80,000
Lutheran Social Services	Street Outreach	40 individuals	\$19,273
Mercy House ARCH Shelter	Emergency Shelter	165 individuals	\$98,533
Non-Congregate Shelter	Motel Vouchers		\$93,480
Salvation Army	Emergency Shelter / Rapid Re-Housing	55 individuals in ES; 32 households in RRH	\$98,231
Turning Point Foundation	Our Place Safe Haven	30 individuals	\$54,713
<i>Grant Administration</i>			<i>\$34,300</i>
		TOTAL:	\$651,300

CoC staff also applied to HCD on October 22, 2020 for ESG-CV Round 2 funding in the amount of \$730,000. The second round of funding has been prioritized to meet the immediate needs of those who are literally homeless and highly vulnerable during the COVID-19 pandemic. The proposed ESG-CV Round 2 budget allocates funds for Emergency Shelter, Non-Congregate Sheltering, Rapid Re-Housing and Street Outreach. HCD has not yet issued the awards for ESG-CV Round 2; however, CoC staff are prepared to accept the funds and issue subrecipient agreements for needed priorities.

HCD has proposed a third round of ESG-CV funding to be available in program year 2021. We anticipate a new Notice of Funding Availability (NOFA) to be released by HCD for ESG-CV Round 3 soon. The State has indicated communities will be eligible to apply for these funds when they have drawn down 50% of ESG-CV 1 and 2 funds. Staff are concerned about ability to meet these qualifications since locally we are still waiting for the State to issue grant agreements for ESG-CV 2. Per the federal CARES Act, the deadline to expend the ESG-CV funding is September 30, 2022.

RECOMMENDATIONS:

Authorize staff to submit a request for ESG-CV Round 3 funds to the State HCD to support the priority needs of Emergency Shelters, Non-Congregate Shelters, Rapid Re-Housing and Street Outreach.

February 10, 2021

CoC Governance Board

SUBJECT: Authorization for Collaborative Applicant staff to work with CoC Youth Collaborative to complete and apply for the upcoming U.S. Department of Housing and Urban Development (HUD) Youth Homelessness Demonstration Project (YHDP) funding in program year 2021.

BACKGROUND: HUD anticipates a fourth round of grant funding to be released for the Youth Homelessness Demonstration Program (YHDP) to develop and implement a coordinated community approach to preventing and ending youth homelessness. Only CoC Collaborative Applicants may apply for this funding. The population to be served are youth experiencing homelessness up to age 24.

In prior YHDP applications, HUD has required commitment letters to match the 6-month planning budget rather than statements of support. This will require youth providers to ensure match will be provided through the collaborative application. We will seek to collect data from multiple youth providers and demonstrate the need to serve youth experiencing homelessness. CoC staff previously participated in HUD Youth Technical Assistance and have been encouraged to apply with the focus on targeted subpopulations, based on gathered data.

DISCUSSION: In preparation for the HUD YHDP NOFA, the youth service providers involved in the CoC Youth Collaborative have been discussing the increasing number of homeless Transitional Aged Youth (TAY) and the need for additional resources to serve this subpopulation. The YHDP application requires a commitment to establish a Youth Action Board (YAB) as a formal CoC committee with youth age 24 and under. Interface Children and Family Services (ICFS) has confirmed that three youth have agreed to participate and engage in innovative discussions for YHDP.

A central requirement of the YHDP is that a CoC will develop a coordinated plan to prevent and end youth homelessness. The coordinated community plan must demonstrate a commitment to the principles of the HUD Youth Framework to End Youth Homelessness and its four core outcomes: 1) Stable Housing, 2) Permanent Connections, 3) Education/Employment, and 4) Social-emotional well-being.

RECOMMENDATION: Authorize CoC staff to develop the YHDP NOFA application in partnership with the Youth Collaborative service providers, based on data analysis.

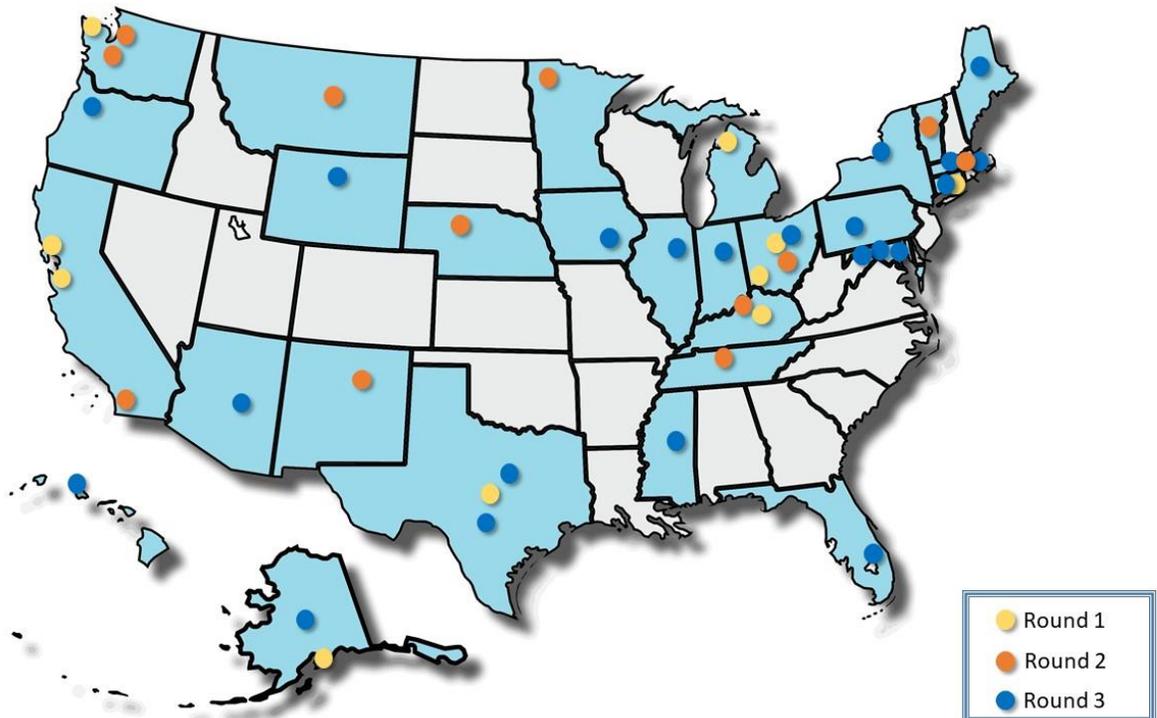

Youth Homelessness Demonstration Program

HUD, its federal partners, and youth with lived experience of homelessness designed the Youth Homelessness Demonstration Program (YHDP) to drastically reduce the number of youth experiencing homelessness, including unaccompanied, pregnant and parenting youth.

What YHDP Requires

- Communities must bring together a wide variety of stakeholders, including housing providers, local and state child welfare agencies, school districts, workforce development organizations, and the juvenile justice system.
- Communities must convene Youth Action Boards, comprised of youth that have current or past lived experience of homelessness, to lead the planning and implementation of the YHDP.
- Communities must assess the needs of special populations at higher risk of experiencing homelessness, including racial and ethnic minorities, LGBTQ+ youth, parenting youth, youth involved in the foster care and juvenile justice systems, and youth victims of human trafficking.
- Communities will create a coordinated community plan that assesses the needs of youth at-risk of and experiencing homelessness in the community and addresses how it will use the money from the YHDP grant, along with other funding sources, to address these needs.
- Communities may propose innovative projects and test new approaches to address youth homelessness.
