5. Annual Monitoring	<ul style="list-style-type: none"> • The annual monitoring's are still being completed for this year, although more than 50% are complete. We expect them to wrap up in June. Thank you to the providers who have already participated and provided their follow up items timely. 	
6. HIC/PIT Submission	<ul style="list-style-type: none"> • Kudos to Alicia Morales-McKinley from Continuum of Care and all the providers in working together to successfully submit the HIC and PIT reports due to HUD. They were successfully received on-time and accepted. We recognize it was a lot of work, reported over 160 projects. 	
7. EVA: The Future of Data Quality Reporting	<ul style="list-style-type: none"> • Data quality reporting is moving away from running the O252 and DQF report quarterly. Will be changing to EVA from a HUD consulting company called Abt Global. Stefanie will be sending the EVA report quarterly to the designated agency contacts. Below is a list of some of the perks of this new system. <ul style="list-style-type: none"> -You get an organizational summary that will tell you <ul style="list-style-type: none"> -Name of client -Type of enrollment -Issue Warnings -Project Summary -Guidance tabs, a breakdown of what it is -High Priority issues -Errors • Report will also be included as part of the offered Quarterly Reporting Training. • Please feel free to reach out if you have any questions 	
8. Roundtable Discussion	<ul style="list-style-type: none"> • Alicia circled back to the HIC topic and expressed her deepest gratitude to the Service Providers for their role in helping her to submit in time to HUD.
